

ANALYSIS REPORT

Analyst: _____

Date Submitted: _____

Sample Identification: _____

Component(s) Analyzed: _____

Method: _____

Theoretical Assay (if known): _____

Actual Assay* : _____

*Don't forget the precision figure.

Percentage Difference from Theoretical: _____

Alternative Assays (if performed):

Method: _____

Actual Assay* : _____

Percentage Difference from Theoretical: _____

If an alternative method was utilized, describe any comparative statistical analyses performed and the results of those analyses.
