

Fun things to do in (someone else's) class:

Instead of taking notes, do an abstract painting during every class. Call the paintings things like "Professor Acting Like Mr. Know-It-All" or "Idiot Who Doesn't Know What The Heck He's Talking About." Give the paintings to your professor as gifts.

Wait for your professor to mention a date, and then yell out, "Bingo!" Apologize, and explain that you got confused.

Write your professor a note that says, "I'm going to be about 15 minutes late. Go ahead and start without me." Wait outside the building until the time when class is supposed to begin. Tie the note to a rock, and throw it through the window.
