

Fun things to do in (someone else's) class:

Brush your teeth during class. While doing so, raise your hand as if you have a question, and mumble your question incoherently while brushing, spewing toothpaste all over the place. If your professor objects to your actions, go on a tirade about proper oral hygiene.

Sit way at the back of the room, up against the wall, to get as far away from your professor as possible. While he/she is lecturing, shout out things like, "What!?" and "Speak up! You're mumbling!" If your professor advises you to sit closer to the front, tell him/her you can't because you're scouting the room for "assassins."

Ride into the room on a bicycle, yell, "Look out!", and crash into the blackboard. Get up, take a seat, and act like nothing happened. Do this every day.
