

Fun things to do in (someone else's) class:

When the professor turns on his laser pointer, scream "AAAGH! MY EYES!"

Get a monkey, and bring it to class with you. Tell your professor that you've hired the monkey to take notes for you. Sit back and relax during class, letting the monkey scribble on a piece of paper. When the time comes to write a paper or take a test, write down things like, "I wish I had a banana" and "I miss my tire swing."

Assuming you get a bad grade, angrily fire the monkey in front of your professor.

Ask to introduce your "invisible friend" in the empty seat beside you, and ask for one extra copy of each handout.
