

Fun things to do in (someone else's) class:

Brush your teeth during class. While doing so, raise your hand as if you have a question, and mumble your question incoherently while brushing, spewing toothpaste all over the place. If your professor objects to your actions, go on a tirade about proper oral hygiene.

Dispute everything your professor says. Try to get him/her to "prove" everything to you. Rant and rave about what a big liar your professor is. Yell at students taking notes, saying, "Stop writing down all these lies!"

Ride into the room on a bicycle, yell, "Look out!", and crash into the blackboard. Get up, take a seat, and act like nothing happened.
