

Fun things to do in (someone else's) class:

Ask to introduce your "invisible friend" in the empty seat beside you, and ask for one extra copy of each handout.

Dispute everything your professor says, no matter how simple. Try to get him/her to "prove" everything to you. Rant and rave about what a big liar your professor is. Yell at students who are taking notes, saying, "Stop writing down all these lies!" Show up to class about ten minutes late.

Correct the professor at least ten times on the pronunciation of your name, even it's Smith. For example, claim that the 'i' is silent.
