

• Self is the foundation of civil society.
p.60 • FEAR IS THE ROOT CAUSE *Fear is the cause
• Man's first sentiment was that of his own existence
self preservation

• Corruption ~~beg~~ of society ~~beginning~~ w/
corruption of self by fear

p.61 • "One is good" "two is bad"

p.61 • "Taught by experience that love of well being... he united..."

• Love is opposite of fear

• John Locke "mutual love foundation of
civil community"

• The self perpetuates cycles of going from
states of nature to war

• leads to people to give up freedoms and liberties
to body, politic to ~~protect~~ for self preservation

• What causes fear of self preservation or threat from
another, ~~aggress~~ aggressor and what causes that?

Corruption of another self.

p.64 Aggressor, by comparing, leads to violence "born
vanity and contempt and shame and envy on the other
①

p. 77 "Inequality spreads easily among ambitious and
cowardly souls."

If love is in place,

Milton

- Adam compares himself to God, and establishes a system of merit. This leads to jealousy + ~~was~~ envy + pride, the cause of both Adam and Satan's fall. This comparison is entirely based on a self-awareness of lacking something and the consequence of fear ~~awareness~~ of not having that. For Adam, that is a fear of ~~was~~ lacking knowledge
